

## REMARKS

In their response filed on July 20, 2007, Applicants' inadvertently presented an incorrect Listing of Claims. In particular, Applicants rather than amending the pending claims as amended March 21, 2007, Applicants amended the original claims. As a result, Applicants made amendments to the original claim set rather than the pending claim set. The above Listing of the Claims cures Applicants' error by amending the presently pending claims (after entry of the July 20, 2007 amendment) to yield a correct claim set by reintroducing the amendments made on March 21, 2007, and keeping intact the amendments made on July 20, 2007. The above amendment is being made on the assumption that the amendment filed July 20, 2007, has been entered by the Office and is now pending.

Upon entry of the above claim set claims 1, 2-9, 11-18, 22-40, 44 and 49-60 will be pending, with claims 18, 23-40, 49-57 withdrawn from consideration as directed to a non-elected invention.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 502624 and please credit any excess fees to such deposit account.

Respectfully submitted,
